

Risk Management

Oasis Camp's highest priority is the safety of all our guests. As such a number of measures have been developed and implemented to ensure your safety:

Risk Management

- Risk assessments have been carried out for each of Oasis Camp's activities and programs both on and off site.
- Risk assessments are reviewed annually.
- Activities and locations are inspected daily.
- Procedures are in place to effectively deal with emergency situations.
- Radios and mobile phones are carried by all staff when on duty and First Aid kits are readily accessible.

Programs/ Activities

- Lesson and activity plans have been designed to incorporate safety procedures as identified by the risk assessments to reduce and avoid potential risks.
- Activity equipment is of high quality and in good working order.
- Plans and assessments are reviewed annually with changes/ modifications made throughout the year based on best practice.
- Daily program flexibility to ensure welfare of campers in regard to weather etc.

Facilities

• Facilities are regularly inspected and well maintained.

Staff

Qualified staff hold the following:

- Level 2 First Aid (INC CPR)
- Cert IV Outdoor Education
